Hi Chuck,

I will be down in a couple of weeks, hold on to them. We have not been doing samples because no one wanted to work OT on Saturdays before the Holidays. With only \$20,000 available there might not be enough left for both labs. I will check with Julie on availability.

Thanks,

Jim

Jim, I have the microscope and balance forms for you guys. I was hoping you would be coming down to pick up samples and I would give you the certs then, but Shirley tells me that you haven't been here for a couple of months. Are you guys taking any samples from us anymore? Chuck S

Jim, I don't have yours from 2011, and I don't have our balance forms from June 2011 either. I will check with Debbie Borne who is doing that QC stuff now. Chuck S

Hi Chuck,

It's not ours. Could you do me a favor and check if you have our 2011 Balance and Microscope Certificates. I was sick and never picked them up. If you have them, just mail them to address at bottom.

Thanks
